## Modern Slavery Act Statement

Modern slavery is a violation of fundamental human rights and a crime. It takes many forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty in order to exploit them for personal or commercial gain. We have a zero-tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships and to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

We are also committed to ensuring there is transparency in our business and that of our supply chains. We expect the same standards from all of our contractors, suppliers and other business partners. We expect that our suppliers will hold their own suppliers to the same high standards.
